

FK bucket chairs and FK LOUNGE. Design: Preben Fabricius, Jørgen Kastholm.

The Devil Wears Prada... and sits on FK. Like Meryl Streep on the screen, aficionados worldwide worship its unmistakable appearance: FK – the unique form, the clear contours, the perfect lines. The bucket seat is an icon of minimalism. Whether as the original completely covered in leather, with an outer synthetic shell or as the FK Lounge with a lower seat height - a classic in design.

Product description
