

369. Design: Walter Knoll Team.

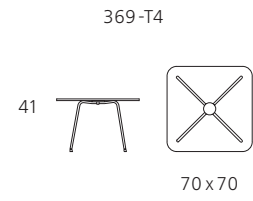

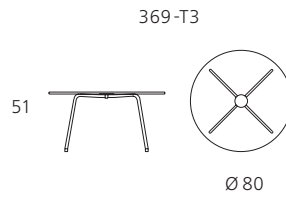

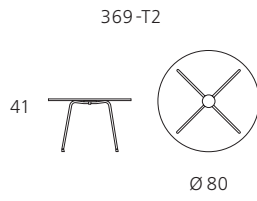

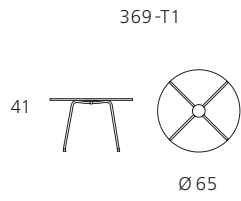

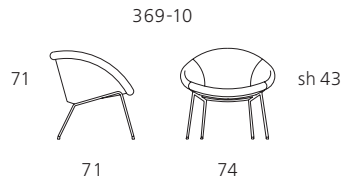

The 369 caused a furore with its unconventional design back in the fifties. Now it is setting trends again. Featuring all its original charm and appeal, it convinces elegant on its own and tremendous in a group. An ergonomically formed and perfectly upholstered seat with a highly polished, satin-chromed or powder-coated black gloss metal frame. Matching with the armchairs, glass tables are also available in the programme 369 Classic Edition.
