

**BLUE TWO.** Design: EOOS.

The spacious upholstery and generous dimensions make a statement in a room. The advantages of the sofa are compelling: The seats can be extended at the push of a button, thus increasing the seating space. Individual comfort to suit your height. You can also fold down the armrest to create the perfect place for putting your feet up.

## Product description

**Modell no.** 477

**Frame**  
 Frame: base frame steel construction.  
 Seat frame: solid beech with zigzag spring.  
 Back: detaches using slot-in system.

**Upholstery**  
 Fixed seat cushions, cold cure foam sandwich construction with an outer layer of wadding.  
 Back cushions: loose, ticking sewn into chambers with rod/down filling.

**Legs**  
 Steel, highly polished chrome-plated. With synthetic glides.

**Function seath depth**  
 Sofas and extension sofas can be equipped with a pull-out section of 17 cm (for surcharge).  
 The seat is adjusted with a motor.  
 The sofa 477-35 cannot be equipped with this function.

## Function armrest

Sofas (except 477-35) and extension sofas can be equipped with one or two functional armrests (for surcharge).  
 When folded down, each armrest adds 30 cm to the width of the sofa.  
 FL = functional armrest on the left,  
 FR = functional armrest on the right,  
 FLFR = functional armrests on the left and on the right - as viewed from the front.  
 Please note the respective armrest when ordering.

## Ordering advice

A corner sofa combination is consisting of:  
 1. an extension sofa 477-XX AS and  
 2. a corner module sofa 477-XX ES or a orner module récamière 477-XX ER.

## BLUE TWO.

### Notice

The back height of the corner récamère modules is 60 cm without cushions (corresponds to the armrest height). The back height of the other modules is 70 cm without cushions. Through the combination of various elements it is possible that a variety of cushions lengths will be fitted to the modular sofa and modular récamières. All elements are available in two seat heights: 42 cm and 44 cm (44 cm for surcharge).
