

JAAN LIVING 782/783. Design: EOOS.

Cosmopolitan elegance for modern lifestyle. This sofa is a dream come true thanks to its softness that you could literally sink into forever and ever. Chic and inviting at the same time: the casual look of the leather complemented by the light down filling of the upholstery. Boards in glass, or alternatively saddle leather, are ultra-convenient for short spells of daydreaming or extensive reading sessions.

Product description

Design awards

Modell no.

782/783

Frame

Beech frame with zigzag spring.

Upholstery

Seat cushion and bench:

Version 1 (casual look): ticking sewn into chambers with down filling and cold cure core sandwich construction.

Notice: The visibleness of ticking chambers is a feature of quality for this version.

Version 2 (formal look): cold cure core sandwich construction with an outer layer of wadding.

Model 782:

Comfort cushion (782-CK1): loose, ticking sewn into chambers with down/fibre filling.

Comfort roll (782-CR): loose, cold cure foam with an outer layer of wadding.

Model 783:

Back cushion (783-RK1): loose, ticking sewn into chambers with down filling and cold cure foam.

Comfort cushion (782-CK1): loose, ticking sewn into chambers with down/fibre filling.

Legs/Glides

Aluminium.

- highly-polished
- powder-coated black gloss
- powder-coated bronze matt

With synthetic glides for stone or carpet floors, or felt glides for wooden floors.

JAAN LIVING 782/783.

Boards

Boards 782:

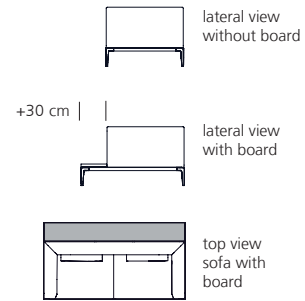

Optionally all sofas and récamières can be equipped with boards on the back side (for surcharge). On model 782-10 AL/AR it is only possible to fit a board to the side.

Surfaces:

- satinised glass black (.33)
- leather Saddle coffee or black

Dimensions: width 30 cm.

The length corresponds to the total length/width of each element.

Boards 783:

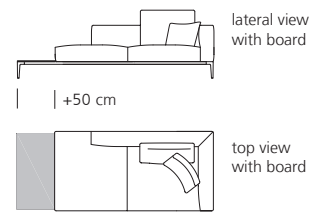

Selected sofas and récamières are available with a board fitted to the side.

Surfaces:

- glass, satinised, black (.33)
- saddle leather, coffee or black

Width: 50 cm.

The depth of the board is equivalent to the total depth of the element to which it is attached.

Occasional tables

Occasional tables:

The 782-T1, 782-T2 and 782-T3 side tables can be placed on boards or can be free-standing.

Surfaces:

Steel, powder-coated matt black or powder-coated matt bronze.

Table elements:

The table elements 782-T4 and 783-T1 can be free-standing or attached.

Surfaces:

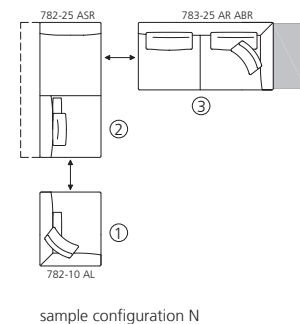

- glass, satinised, black (.33)
- saddle leather, coffee or black

Ordering notes

All the elements in the range can be free-standing!

The Jaan Living programme offers a variety of elements which are created with the combination of at least two elements. All the elements in the 782 and 783 programmes can be used for this.

Please select the elements for your order from left to right. For a combination of several Jaan Living elements, please add a drawing.

Notice

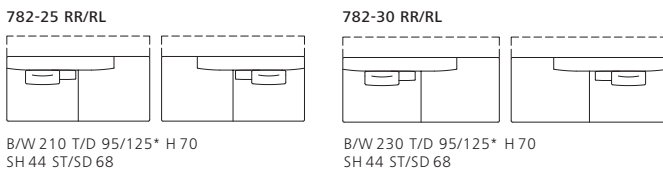

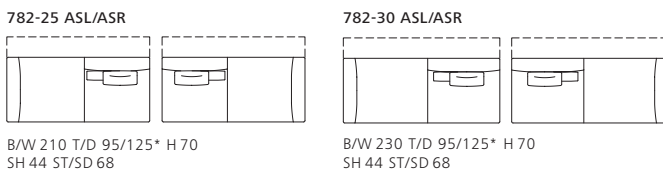

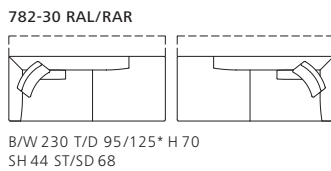

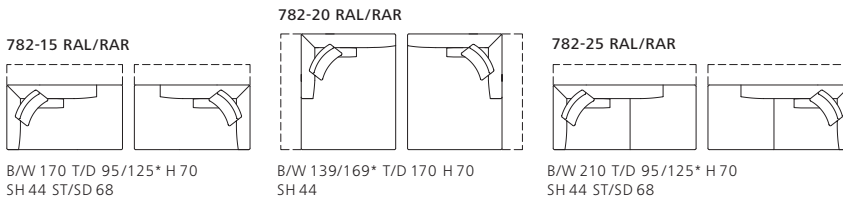

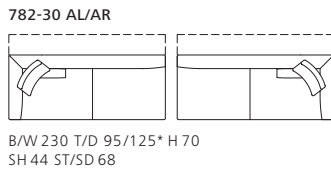

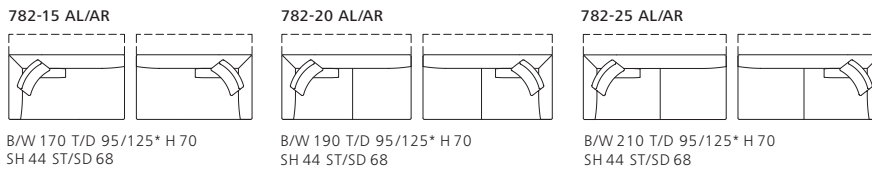

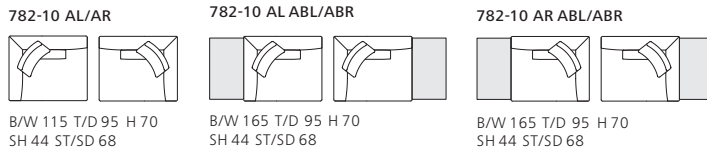

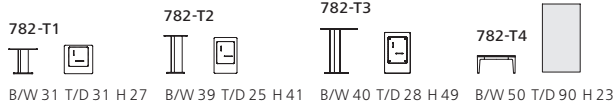

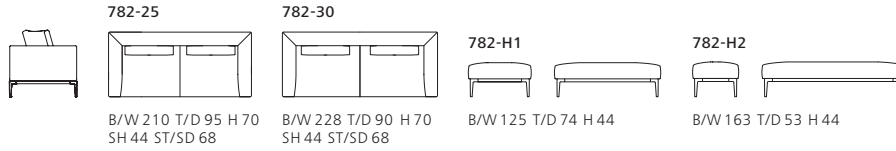

The cushions 782-CK1, 782-CR and 783-RK1 shown and listed with the article numbers are included in the prices.

All the covers can be removed.

The maximum length of the elements on shipment is 275 cm.
