

LIZ. Design: Claudio Bellini.

The chair by Claudio Bellini is reduced to what is most beautiful. Swaying lines define the silhouette. Liz gently spans its expanses of fabric or leather for seat and back. The delicate framework gives stability to an elastic textile inside. Developed for aviation, the high-tech material ensures a special and surprising comfort. The chairs with open, closed and without armrests individualise comfort.

Product description

Design awards

Modell no.

1300

Frame

Steel frame.
Flexible back.

Cover

Seat and back of tensioned, elasticated and dimensionally stable, high-tech fabric.

Legs
