

ECLIPSE. Design: EOOS.

The Eclipse occasional table has a simple and intelligent mechanism. Gently pulling the round table tops apart doubles the usable surface. There is a choice of different heights and sizes of table tops. The round table tops are either completely made of glass or combined with wengé veneer.

Product description

Modell no.

160

Table top

160-T1 and 160-T2:

safety glass:

- satinised (.30) or
