

WALTER KNOLL

GIO. Design: Claudio Bellini.

Gio is made entirely from one material. The chair convinces either with or without armrests thanks to its resolute design and sumptuous comfort. Straps in the seat ensure soft cushioning. Together with the flexible back, this is the perfect recipe for exceptional seating.

Product description

Design awards

reddot design award

Modell no.

1360

Frame

Body foam-moulded with steel subframe. Flexible back with torsions springs.

Upholstery

Seat foam-moulded. Webbing support.
