

MYchair. Design: UNStudio/Ben van Berkel.

MYchair is a sculpture in space. Impressive from all angles. Slanting, rounded and straight areas give way to each other. The base, seat and back of the lounge chair form a powerful composition. The lounge chair is appealing and comfortable, and invites you to read, dream and relax.

Product description

Design awards

reddot design award

Modell no.

248

Frame

Moulded foam body with steel subframe.

Upholstery

Moulded foam seat and back with wadding cover.

Base

Tubular steel, highly polished chrome plated, powder-coated black gloss or in black chrome (for surcharge).

Cover

248-10:

Armchair completely covered with the same fabric or leather.

For seat and side panels in various cover combinations:

The seat is available in a colour or material different to the side panels. The price for the armchair is the sum of the price for **248-10 C** and **cover side panels**.

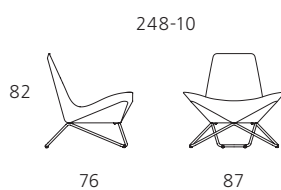

Glides

Fitted with synthetic glides for stone and carpet floors or felt glides for wooden floors.

Notice

MYchair is also available completely in black as special edition (see Black Series).
